are put up and the facts of the case are given at length in the office notes contained therein.

The petr. states as follows: -

The Dy. Commr. directed that in case the petr. agreed to execute another muchalika before the Taluk Amildar stating that he will deposit with Govt. one-half of the net surplus income of the temple after meeting the cost of services as per fixed scale and after paying the Govt. dues, and that he will furnish proper accounts to the Taluk Cutcherry, the temple Valinab would be restored to him, that the present lessee Manjappa could not be dispossessed of the lands, and that ^{within} ~~after~~ one year, if the lands are not brought to a sound condition, the Govt. (of the Cancellation of the present lease) will receive consideration (vide Govt. No. 98 of 8-8-1913).

The petr. prayed the Dy. Commr. for a revision of the above order, but no endorsement was issued to him. He has appealed to Govt. - He contends that it is opposed to law and justice.

to direct him to execute another Muchalika, to ask him to reside in the village and to deposit one-half of the net surplus, and to keep him out of the accumulated net saving. He prays that on a perusal of the memo of points submitted by him, the temple Valivast may be restored to him. In his review-petition to the 1st members, while giving the facts of the case, the petitioner states that he has spent large sums for the improvement of the temple land. He ~~requests~~^{wants} to know what scale of expe^r has been sanctioned by Govt and requests that the net surplus income may be made over to his possession him for his maintenance, that the question of future case to him may be settled now also and that the accumulated saving may be made over to his possession.

The enclosures to the petitions consist of mostly of copies of Endts issued from the office and the Dy Commr's Office.

In Govt order of 10th November 1908 the temple of Sri Sangavisweswara Devare

and its endowments were taken under-
Govt management, and a scale of
expenditure amounting to Rs 179-4-0 against
an estimated income of Rs 309-4-0 was
sanctioned, leaving a saving of Rs 130
in favour of the institution.

Under Govt order of 11th July 1911, the
order of 10-11-1908 was modified and
the pette was re-instated as manager
on condition of managing the inste
properly under the supervision of the
local Muzrai authority, and also
properly accounting for the income thereof.

In Govt order of 5th March 1912,
it was stated that if the lease could
be legally cancelled or the lessee
agreed to give up possession, the Dy
Commr might hand over possession
to the pette, otherwise the pette could only
collect rent as long as the lease
lasted. It was also stated that
if the pette were to get possession
of the garden, the Dy Commr might
fix rent to be paid by him, regard
being had to his allegations about
having improved it at ^{his} considerable

In Govt order of 23^d August 1912, it was observed that as the lessee did not agree to give up possession of lands, petitioner must content himself with collecting rent according to G.O of 5th March 1912. It was directed that full scale of expecⁿ for workshops should be adhered to and the Dy Commr's recommendation that during the currency of the lease, the petr^e may be paid managers of the Temple as a remuneration of $\frac{1}{2}$ net surplus or Rs 65/- per annum was sanctioned.

In this office no 114 D of 17th July 1913, the Dy Commr's recommendation to give one year's time to the lessee to see to the improvement of the lands endow^d to the Temple was accepted.

Item 2 has already been

prepared to accede to the ^{Commissioner's} ~~action~~ ^{order} that ~~the~~ ^{the} ~~Commissioner~~
Matter remains also a householder
in the house.

Item 3 is a matter of detail.
It seems to me that it is absolutely necessary
that Mr. Manu Bhatter should know where
exactly he stands and what are his obliga-
tions to the temple and to Govt. otherwise
the matter may have to be faced all over
again. The point at issue is whether Mr.
Manu Bhatter is the absolute owner of the
temple and its properties or only its manager
liable to account for its income and
subject to the control of the Officers of Govt. A
mistake made understanding should
be entered into before Mr. Manu Bhatter
is put in possession.

As regards item 4. There cannot
be any objection to restore the temple
and properties except the lands already
in possession of another under a lease
but it is not clear how he is entitled

to the accumulations, if the Pujari has not attended to him during the period. Apparently he has not been managing the properties as a matter of convenience his pay as Vahivada may be passed from the date of the Jot: order of August 1912. It does not appear from that.

Min. Manna Mather is entitled to some further relief unless ~~it~~ his position as regards the Temple is considered to be higher than that of a manager. If necessary the petition may be given to hearing before the case is disposed of.

The vernacular records have not been called for as there is so far nothing in the petition which shows a case.

The Petitioner is before me and represents that the orders of Govt. have not been carried out, and that he has been asked to give Murchalka with new terms.

The temple is said to be in a jungle place. If so, being

there is said to be impossible.
This may be relaxed. The
question of continuing or dis-
continuing the present lease
may also be finally decided.
The question of absolving the
man from night worship
may also be relaxed if the
temple is ^{inconveniently situated for access} ~~inaccessible~~ at
nights.

With these remarks, the
petition may be sent to the

The scale of expe fixed in Govt. Pro. No. 191-4 of 10th Nov. 1908 amounts to Rs 179-4-0. A sum of Rs 9 provided for Right Worship has been eliminated in the present scale which is fixed at Rs 170-4-0. In this order, the ~~estimated~~ ^{reported} income of the Temple as reported by the Dy. Commr. was noted as Rs 309-4-0 (the yield from S. No. 183 is now being 26½ khandies of paddy and Rs 16/- in cash, and the yield from S. No. 184 being 42 1/4 manas of arecanut).

In the draft mutchhalika, the total income is given as Rs 300-0-0 (the increase ^{perhaps} being the result of high price of paddy and arecanut) against a total expe of Rs 170-4-0 leaving a net saving of Rs 189-12-0. Miniswar Bhatta has to get 1/2 of Rs 189-12-0 or Rs 94-14-0, while the Govt. order of 23rd Aug. 1912 gives him Rs 65/- per annum calculating the total income

Sir,

In continuation of my letter No. 154/Muz 25 dated 8th September 1914 regarding the restoration of the management of Sri Gangavisvesvara Devaru temple at Filmande in the Thirthahalli Taluk to Tudur Timmanna Bhatta, I have the honour to state that the conditions of actual residence and worship at nights have been withdrawn as they are reported to be impossible owing to the situation of the temple in a jungle place. With these modifications, orders have been issued to the Amildar of Thirthahalli Taluk to hand over the management of the institution to the petitioner on his executing the necessary mutchalika in accordance with the terms laid down in Government order Nos: 84/Muz 497-08-9, 2102/Muz.F.404-11-3 and 334/Muz 404-11-9 dated 11th July 1911, 5th March 1912 and 23rd August 1912 respectively. Thimmanna Bhatta has agreed before me to take up the management in terms of the orders cited above. In the scale of expenditure sanctioned in Government order No. 191-4/Muz.F.113-08-2 dated 10th November 1908, a sum of Rs 0/- was provided for the worship at nights. This item has now been eliminated in the

present scale. A copy of the draft Muchalika, which the ^{Amildar} ~~Assistant Commissioner~~ has been directed to obtain from Thimmanna bhatta is enclosed for reference and approval.

Regarding the question of continuing or discontinuing the present lease, I have the honour to report that I inspected the lands belonging to the temple on 5th March 1914 during the Jamabandi. Not having seen the lands before, I could not say whether they had deteriorated. But they did not appear to be as well managed as the other gardens in the locality. The Amildar in his report No. 314 dated 11th ultimo states as follows:-

- (1) The lessee has not paid any particular attention towards the improvement of the lands, nor has he kept them as they were before, but has neglected them.
- (2). He has not cultivated the lands in the way in which those that have lands of their own, or those that have obtained the lands on " Mulgeni tenure " do cultivate them.

It may therefore on the whole, be concluded that the terms of the lease have not been satisfactorily carried out by him. At the same time I am bound to say that the lessee has really not had a fair chance of improving this garden and doing his best for it, on account of ^{the} constant fear that the lease would be cancelled; so that there was never any incentive to put money into the garden. Besides, the lessee lives 20 miles away and has to carry on the cultivation of the garden through a sub-tenant. I daresay the garden would be better in the possession of Thimmanna bhatta himself, as he would live near by and as he is personally interested in the affairs of the temple.

Under the circumstances above set forth, I have the honour to recommend that the lease may be cancelled and the lands

restored to the petitioner Thimmannabhatta.

I have the honour to be,

Sir,

Your most obedient servant,

Deputy Commissioner,
Shimoga District.
